

Crossroads Recovery Center

One of the great joys I have every year is working with recovering addicts at The Crossroads Recovery Center for Men in Hamilton, GA. The past two years I have taught there for one week, but this year I was asked to teach for two! While there, I was blessed to be able to share with addicts and staff at the Mott's Center in Columbus, GA and with female addicts at the Damascus Way also in Columbus, GA! God used my testimony of hope to encourage the staff and to give hope to those in bondage to their addictions! Above are some new believers in Christ who asked me to baptize them at Crossroads!

The Vision

Upcoming Ministry Banquet September 9th!

Addicts At the Cross

The vision for the new Changed Lives Ministries building located in Strasburg, OH is not to plant a church but to establish a mission outreach where men and women who have just been released from prison or are trying to stay free from drugs can come use the computer to search for jobs, various resource centers, etc. We'll help them get their GED and driver's license, we'll clothe them and offer one free meal a day as well as a place they can come and just "hang out" in a Christian environment.

Recovery meetings will also be held (Addicts at the Cross) twice weekly one night for men and one night for women. We have an additional payment to make of \$5000.00 in July toward this purchase, and I could sure use some help!

I have completed writing a recovery course that I am now teaching at several prisons in the state of Ohio entitled "Addicts at the Cross". While in Georgia, Don and Wanda Kauffman came up with an idea for T-shirts that reflect the power of the cross to break the chains of addiction that have bound so many, ruined so many lives and destroyed so many families. The T-shirts are free to anyone who makes a \$20.00 or more donation to Changed Lives Ministries during the summer months of June, July and August. Just include your size with your donation. Volume 3 CD's are now available for a \$15.00 donation or more. Just specify "Toward CD ministry" and you'll be blessed as you listen!
