Prison Discipleship 2011 - Pictured are the 4 Ohio prisons in which we'll do weekly discipleship programs. N. C. C. I. is near Marion, Belmont Correctional (which includes a medium security side and a minimum security camp) is near Belmont, Noble Correctional is near Caldwell and Trumbull Correctional is in the Youngstown area. I have 3 volunteers to help me facilitate programming; Mike Skrant at Trumbull, Jim Slingland at Belmont & Noble, and Carey Carona at N. C.C.I.. Courses offered at these facilities include several of Steve Gallagher's courses which deal with sexual idolatry, "Addicts at the Cross" (which I designed to deal with the root problems of addictions in general), "Alcoholics for Christ" and general Bible studies on prayer, grace, forgiveness and accountability, all focusing on Biblical application to daily living. College level courses are offered for advanced students. Many of these studies are on church history. Three ladies made professions of faith at Trumbull Correctional Camp during our service there this Feb. and I'm praying the door will open up for discipleship programming. Amen

New staff member!

Many of you are familiar with staff members Rachel and Rosa who have worked in years past for this ministry but who have gone on to Malone University. Rachel is working toward a degree in education & Rosa in nursing. Saturday, the 5th. of Feb., was a reunion of sorts as the girls came back to help with the training of my newest staff person, Hannah. Hannah will be working for us part-time as she continues to be home schooled. Hannah will be putting together the majority of student folders with lessons (this requires a lot of copying), preparing certificates of completion, filing, making out receipts, helping with mail outs, ordering office supplies etc. Welcome!

Prison Crusade

January started out with trips to Alabama & Texas to do some recording for the prison ministry CD and to visit with Mount Carmel Baptist Church (Brent, AL), Bright Star Baptist Church (Alba, TX), Harvest Bible Church (Greenville, TX) and the Hennon Monday night Bible study (Greenville, TX). Then it was back to Ohio to coordinate some new prison programming and then off to Atmore, AL for the We Care Prison Crusade. 385 participants went into 22 prisons, including a prison in Century, FL. resulting in many inmates professing Christ!
